

V7 STEREO HEADSET

V7's Lightweight Stereo Headset is the solution for clutter-free communications. Ideal for voice and video chat, Skype, voice recognition software and online PC gaming. This headset is designed with a highly sensitive omnidirectional microphone that can be folded away when listening to music or movies. The adjustable headband has convenient inline controls that allow you to adjust the volume. Built with an extra long 6ft cable and soft foam ear-pads for comfort, this stereo headset offers hours of listening enjoyment for your media selection. Compatible with computers, iPods, iPads, CDs and MP3 players equipped with a 3.5mm audio jack.
