

Portege Z10t Capture Case with Shoulder Strap PA1540U-1ZPT

Price \$99.95 RRP AUD (inc. GST)

Overview

The Toshiba Z10t Capture Case adds convenience and durability for the detachable Portege Z10t Ultrabook display.

A form fitted inner mould provides an additional layer of protection. The rubberized outer shell adds a shock-absorbing bumper. The built-in hand-strap allows you to hold your tablet comfortably and securely, while allowing you to rotate the screen 360-degrees to the one perfect position.

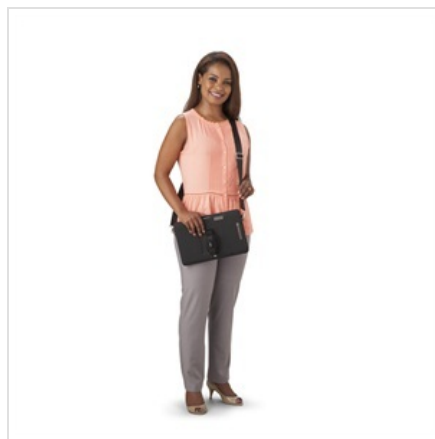

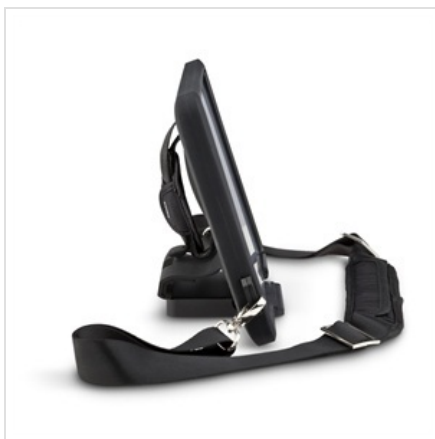

This protective case also comes with a shoulder strap, which makes it easy to grab and carry around, all while being able to dock into the Z10t Series Dock without having to removing the case from the display.

Features:

- Added protection for your Portege Z10t display
- Built-in hand strap rotates 360-degrees (locks to 16 positions).
- Easy to carry with included Shoulder Strap.
- Designed to dock into Z10t Series Dock (with Capture Case attached)

Specifications:

- Dimensions & Weight: 330 (L) x 203 (W) x 48 (D) mm (closed); 687g
- Compatibility: Toshiba Portege Z10t / WT310
- Package contents: Z10t Capture Case, Shoulder Strap, hand strap, inner-mould pieces (top and bottom), and rubberized outer shell.
- One-year limited warranty
