

Grommet Hole Security Anchor Point

Add a secure anchor point without damaging your workspace.

K64612WW

Product Description

Turn the grommet hole found in many work surfaces and desks into a handy anchor point without damage or alterations. The Kensington Grommet Hole Cable Anchor Point installs quickly and easily with no tools. By supplying a convenient anchor point, it makes it easy for employees to secure laptops, desktop computers and peripherals.

Features

- Compatible with all Kensington locks
- Maintains cable routing function of the original grommet hole
- Provides a secure anchor point through the grommet hole found in most work spaces or desks
- Innovative design will not damage work surfaces
- Installs in seconds without tools
- Built in Kensington Security Slot provides an alternative way to attaching cable lock to the anchor
